

Provocation Selection

Artifact Selection

What artifact, object, image, film clip, or experience will you share with students?

Relevance to Concept

How does this connect to the key concept or driving question of your unit?

Engagement Factor

Why do you believe this will capture your students' attention and spark genuine curiosity?

Surprise Element

*What is unexpected or surprising about this provocation?
What door does it open that students did not know was there?*

Emotional Impact

What emotions might this provoke — awe, fascination, unease, curiosity? Are these productive for learning?

Interactive Potential

How will students interact with this provocation? Watching, handling, moving through, listening?

Follow Up Activity

What thinking routine will you use after the provocation? (e.g. See Think Wonder, QFT, curiosity journal prompt)

Potential Questions

What questions do you hope this will generate in students?

Connection to Real World

How does this connect to real world contexts or experiences that matter to your students?

Reflection

After using this provocation, how will you capture and honour the questions it generated?
